

# LOVE THEM, LICENSE THEM, PROTECT THEM!

A dog license helps protect your pet by providing an easy-to-identify dog tag and registration with the Town of Verona.

## **Benefits of having your dog licensed:**

- 🐾 A current license will help the Town reunite lost dogs with their owners.
- 🐾 A current license means if your dog is impounded, it will be easy to locate you and arrange for a quick return home.
- 🐾 A current dog license in accordance with Article 7 of the NYS Agriculture & Markets, and the Town's Dog Law, will prevent a fine.

New York State Law requires that all dogs living within New York State be licensed upon reaching four (4) months of age.

## **ALL DOGS MUST BE REGISTERED ANNUALLY & HAVE CURRENT RABIES VACCINATION**
