The New York State Department of Transportation is advising motorists that State Route 365 will be reduced to one lane in both directions between State Route 26 and State Route 31 in the Town of Verona and the City of Rome, Oneida County, beginning at 7 a.m. Monday, August 17, for paving operations. The project is expected to last for approximately two weeks with crews working Monday through Saturday to expedite the work.

To facilitate operations, intersections within the work zone along State Route 365 will be closed to cross traffic and left-turning traffic, except at Greenway-New London Road and Spring Road, throughout the duration of the project.

Construction activities are weather dependent and subject to change based on conditions.
