SCIENCE  HEROES

Science Heroes: Digging It

Wednesday, July 15 - 2:00pm

Unearth your curiosity as we dig into the incredible science that's all around us!

- Harness the power of pressure and energy with our Toilet Tornado™!
- Experiment with physical vs. chemical changes with our Disappearing Polymer™!
- Experience the laws of motion with the incredible Egg Drop™!
- And more! **(Registration Required)**

Tinker Tuesdays: Drop-in and Create (Ages 5+)

Tuesdays, July 7, 14, 21, 28 - 1:00pm - 2:30pm

Join us every Tuesday for a relaxed afternoon of creativity! Drop in anytime to make, build, and create. Activities will rotate throughout the season and may include fuse beads, diamond art, and other fun hands-on projects. Designed for ages 5 and up, no registration is required. Just bring your imagination and we'll provide the supplies!

Dig Site Thursdays: STEAM Activity

Thursdays, July 2, 9, 16, & 30 - 3:30pm - 4:30pm

Get ready to dig into discovery every Thursday this summer! Each week features a different dinosaur-themed adventure with hands-on STEAM activities, creative art projects, games, and exciting experiments. Build with LEGO bricks, dissect owl pellets, paint prehistoric masterpieces, and uncover something new each week.

Dino Showdown: Who Would Win?

Thursday, July 23 - 6:00pm - 7:00pm

Step into the prehistoric arena and witness the ultimate dinosaur battles! Could a mighty Tyrannosaurus rex defeat a heavily armored Ankylosaurus? Would a pack of Velociraptors outsmart a towering Triceratops? Together, we'll compare each dinosaur's size, speed, strength, defenses, and special adaptations before the audience votes on who they think would come out on top. Along the way, you'll discover fascinating facts about some of history's most incredible creatures. Perfect for dinosaur fans of all ages.

Dino Expedition Show

Wednesday, July 29 - 10:00am

Join Mike and Roberta for an exciting, hands-on dinosaur adventure! Learn about the work of a scientist, examine a real Albertosaurus skull, help uncover an authentic Triceratops bone, and build a giant dinosaur skeleton. Enjoy rare fossils, audience participation, a touch of magic, and a mini museum featuring photos and minerals from South Dakota fossil digs. **(Registration is required)**
